**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband internet service is critical for any urban household in today's America.

The common citizen's best interests are served more efficiently when there are several ISP providers available, thus insuring a robust competitive marketplace.

This should be the focus of good governance--not the support of monopolies.
